Subject: Application for the Position of Junior Web Developer

Dear Sir/Madam,

I am writing to express my interest in the position of Junior Web Developer at your organization.

I have completed my Bachelor of Computer Applications (BCA) and have a foundation in web development and programming technologies such as HTML, CSS, JavaScript, Python, C#, SQL, and ASP.NET Core MVC.

During my academic journey, I worked on projects such as a Payroll Management System and an E-Commerce Portal. These projects helped me understand application development, database management, and practical programming concepts.

I am a hardworking, responsible, and quick-learning individual. I am eager to improve my technical knowledge and begin my professional career in the IT industry.

I would appreciate the opportunity to discuss my qualifications and skills in an interview. I have attached my resume for your consideration.

Thank you for your time and consideration.

Yours sincerely,

Anurag Pal
